

# Saved over £50,000 TAX in a five-year period

Electric cars attract low benefit in kind so very tax efficient

No payments on account helps cash flow and you know exactly what to put away each month and no surprises which helps a great deal with stress an excellent responsiveness and communication.

- › No payments on account
- › Cash flow and buffer agreed, tax projections and budgeting clear
- › Family business structure
- › Director pension contributions
- › Close relationship and personal/business objectives understood
- › Took on first employee, smooth sailing
- › Electric car

“

I highly recommend Lesser & Co. Their knowledge have significantly helped me understand how to get the best out of my business. The guidance on TAX savings has been invaluable, helping me understand and optimise our approach for maximum benefit.
