

Business Current Account

with Starling Bank

A great habit I advise usually is have a business current account with Starling Bank for main banking

All positive, free banking and main drawback is daily limits on payments but can speak to them on this or use credit cards. I create recurring transfers if it's to other internal accounts.

Then easy access business saver Aldemore - only 1.25% currently which is low but better than nothing.

Put aside vat and corporation tax on a weekly basis so you know this money is there when it is due.
